

In support of

The Kinsmen Club of Lloydminster are inviting your business to become a vital part of an incredible cause that will have a direct and lasting impact on the people of Saskatchewan. The Lloydminster Kinsmen have resurrected for Telemiracle 50: **Geek On The Peak, Feb 1 - Feb. 6, 2026**, at the **South side of City Hall**. We seek **Banner Sponsors** to cover our highly elevated platform where we will stay for the entire week—not coming down, come wind and snow! A live feed will be available to the public 24 hours a day on YouTube and Facebook. We would be honoured if you helped us make this event a tremendous success!

The annual **TeleMiracle Telethon**, a well-known and trusted fundraiser, has been raising money to help the Kinsmen of Saskatchewan to provide essential assistance to families and individuals across the province. This year will mark the **50th Annual Fundraising Telethon**. The funds raised enable access to medical equipment, therapies, and financial support during difficult times. This year, with your help, we aim to raise even more to support those who rely on these critical services.

Why Sponsor?

As a **banner sponsor**, your company will gain valuable exposure and demonstrate its commitment to supporting the community. Your generosity will be acknowledged in several ways:

- **Community Engagement:** This is a fantastic opportunity to show that your business is dedicated to giving back to the community. You'll be aligning your brand with one of Saskatchewan's most respected and impactful charities.
- **Event Recognition:** Throughout the week, we will proudly recognize our sponsors, through the live media being broadcast 24 hours a day, giving your business the spotlight it deserves in front of all watching and visiting us who are passionate about the cause.

Banner Sponsor Benefits:

- Logo placement on scaffolding, top billing on all event materials/promotions
